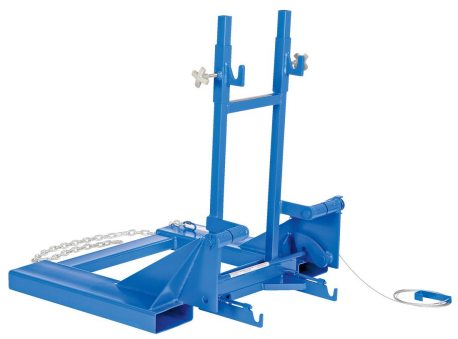
MODEL FM-T-DUMP

Fork Truck Attachments / Fork Truck Mounted Trash Can Dumper



PRODUCT OVERVIEW

Save time and reduce work-related injuries caused by lifting and dumping heavy waste containers. This innovative Fork Truck mounted trash can dumper will allow a fork truck driver to lift and dump refuse containers without ever leaving the seat of the fork truck! Secure dumper to fork truck with safety chain and run cable to driver's seat. Align trash can with dumper and lock into place. Once locked in place, transport trash can to refuse container, align, and pull chain to dump refuse container contents. Steel construction for years of dependable use.

KEY FEATURES

- Fork pockets enable quick and easy attachment
- Powder coated for a smooth finish
- Safely secures cans for proper dumping
- Easily dumped while still seated in lifting equipment
