

Polyethylene Marine Step Stool 3 Step White

MODEL VST-3-WT

Industrial Ladders / Marine White Steps

PRODUCT OVERVIEW

Whether you're docking or just setting sail, the Polyethylene step stool provides a safe way to enter and exit your boat. Built to last, the durable structure is perfect for marine locations. The unique design includes a non-skid surface for safe climbing and descending of the steps. Cut out handles are standard for quick positioning and lifting.

KEY FEATURES

- Rubber feet included for added traction
- Compact structure for storage
- Resilient polyurethane construction
- Sleek white color design
